

## Material Safety Data Sheet

### Section 1 Product and Company Identification

---

**Product number:** C325  
**Product name:** Biotin Picolyi Azide  
**Unit Size:** 1 mg  
**Manufacturer/Supplier:** GeneCopoeia Inc  
9620 Medical Center Drive, Suite 101  
Rockville, MD 20850, USA  
Tel: 1-301-762-0888, Fax: 1-301-762-3888  
Web: [www.abpbio.com](http://www.abpbio.com)

### Section 2 Hazardous Ingredients/Identity Information

---

| Chemical Name        | CAS-No | EINECS-No | Weight % |
|----------------------|--------|-----------|----------|
| Biotin Picolyi Azide | -      | -         | 60-100   |

### Section 3 Physical and Chemical Properties

---

|                                 |                          |
|---------------------------------|--------------------------|
| <b>Form</b>                     | Solid                    |
| <b>Appearance</b>               | No information available |
| <b>Odor</b>                     | No information available |
| <b>Boiling point</b>            | No data available        |
| <b>Melting point</b>            | No data available        |
| <b>Flash point</b>              | No data available        |
| <b>Autoignition temperature</b> | No data available        |
| <b>Oxidizing properties</b>     | No information available |
| <b>Water solubility</b>         | No information available |

### Section 4 Potential Health Hazard Effects

---

|                              |  |
|------------------------------|--|
| <b>Eyes</b>                  | May cause eye irritation with susceptible persons. |
| <b>Skin</b>                  | May cause skin irritation in susceptible persons.  |
| <b>Inhalation</b>            | May be harmful by inhalation.                      |
| <b>Ingestion</b>             | May be harmful if swallowed.                       |
| <b>Carcinogenic effects</b>  | not applicable.                                    |
| <b>Reproductive toxicity</b> | not applicable.                                    |
| <b>Sensitization</b>         | not applicable.                                    |

### Section 5 Stability and Reactivity Data

---

|                                |  |
|--------------------------------|--|
| <b>Stability</b>               | Stable under normal conditions.          |
| <b>Materials to avoid</b>      | No information available.                |
| <b>Hazardous decomposition</b> | No information available.                |
| <b>Polymerization</b>          | Hazardous polymerization does not occur. |

## Section 6 Toxicological and Ecological Information

| Chemical Name        | LD50 (oral, rat/mouse) | LD50 (dermal, rat/rabbit) | LC50 (inhalation, rat/mouse) |
|----------------------|------------------------|---------------------------|------------------------------|
| Biotin Picolyi Azide | No data available      | No data available         | No data available            |

|                            |                           |
|----------------------------|---------------------------|
| <b>Ecotoxicity effects</b> | No information available. |
| <b>Mobility</b>            | No information available. |
| <b>Biodegradation</b>      | Inherently biodegradable. |
| <b>Bioaccumulation</b>     | Does not bioaccumulate    |

## Section 7 Handling and Storage

|                 |   |
|-----------------|---|
| <b>Handling</b> | Always wear recommended Personal Protective Equipment. No special handling advice required. |
| <b>Storage</b>  | Keep in a dry, cool and well-ventilated place.  |

## Section 8 First Aid Measures

|                     |  |
|---------------------|--|
| <b>Skin contact</b> | Rinse with plenty of water. If symptoms arise, call a physician.   |
| <b>Eye contact</b>  | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If symptoms persist, call a physician.              |
| <b>Ingestion</b>    | Never give anything by mouth to an unconscious person. If symptoms persist, call a physician. Do not induce vomiting without medical advice. |
| <b>Inhalation</b>   | Move to fresh air. If symptoms persist, call a physician. If not breathing, give artificial respiration.                                     |

## Section 9 Disposal Considerations

Dispose of in accordance with local regulations.

## Section 10 Other Information

For research use only. Not intended for human or animal diagnostic or therapeutic uses.
