

# Material Safety Data Sheet

### Section 1 Product and Company Identification

| Product number:       | C065   |
|-----------------------|--|
| Product name:         | EasyProbes™ Fixation/Permeabilization Kit                      |
| Unit Size:            | 2×50 mL  |
| Manufacturer/Supplier | : GeneCopoeia Inc  |
|                       | 9620 Medical Center Drive, Suite 101, Rockville, MD 20850, USA |
|                       | Tel: 1-301-762-0888, Fax: 1-301-762-3888                       |
|                       | Web: www.abpbio.com  |

# Section 2 Hazardous Ingredients/Identity Information

| Chemical Name | CAS-No | EINECS-No | Weight % |
|---------------|--------|-----------|----------|
| Formaldehyde  | -      | -         | 4        |
| Triton        | -      | -         | 0.5      |

### Section 3 Physical and Chemical Properties

| Form                     | Liquid                   |
|--------------------------|--------------------------|
| Appearance               | No information available |
| Odor                     | No information available |
| Boiling point            | No data available        |
| Melting point            | No data available        |
| Flash point              | No data available        |
| Autoignition temperature | No data available        |
| Oxidizing properties     | No information available |
| Water solubility         | High                     |

#### Section 4 Potential Health Hazard Effects

| Eyes                  | May cause eye irritation with susceptible persons. |
|-----------------------|--|
| Skin                  | May cause skin irritation in susceptible persons.  |
| Inhalation            | May be harmful by inhalation.                      |
| Ingestion             | May be harmful if swallowed.                       |
| Carcinogenic effects  | not applicable.                                    |
| Reproductive toxicity | not applicable.                                    |
| Sensitization         | not applicable.                                    |

# Section 5 Stability and Reactivity Data

| Stability               | Stable under normal conditions.          |
|-------------------------|--|
| Materials to avoid      | No information available.                |
| Hazardous decomposition | No information available.                |
| Polymerization          | Hazardous polymerization does not occur. |

# Section 6 Toxicological and Ecological Information

| Chemical Name | LD50 (oral, rat/mouse) | LD50 (dermal, rat/rabbit) | LC50 (inhalation, rat/mouse) |
|---------------|------------------------|---------------------------|------------------------------|
| Formaldehyde  | No data available      | No data available         | No data available            |
| Triton        | No data available      | No data available         | No data available            |

| Ecotoxicity effects | No information available. |
|---------------------|---------------------------|
| Mobility            | No information available. |
| Biodegradation      | Inherently biodegradable. |
| Bioaccumulation     | Does not bioaccumulate.   |

### Section 7 Handling and Storage

| Handling | Always wear recommended Personal Protective Equipment. No special |
|----------|---|
|          | handing advice required.  |
| Storage  | Keep in a dry, cool and well-ventilated place.                    |

#### **Section 8 First Aid Measures**

| Skin contact<br>Eye contact | Rinse with plenty of water. If symptoms arise, call a physician.<br>Rinse immediately with plenty of water, also under the eyelids, for at least 15<br>minutes. If symptoms persist, call a physician. |
|-----------------------------|--|
| Ingestion                   | Never give anything by mouth to an unconscious person. If symptoms persist, call a physician. Do not induce vomiting without medical advice.   |
| Inhalation                  | Move to fresh air. If symptoms persist, call a physician. If not breathing, give artificial respiration.   |

# **Section 9 Disposal Considerations**

Dispose of in accordance with local regulations.

#### Section 10 Other Information

For research use only. Not intended for human or animal diagnostic or therapeutic uses.
